

RE-STORE YOUR BATTERIES

...FOR RECYCLING

IWMC is pleased to announce **Re-STORE Your BATTERIES®** effective July 1, 2005. This program allows householders to return non-rechargeable batteries to participating Island grocery stores for proper disposal.

This program accepts the following batteries:

● **ALKALINE / LITHIUM**
(D, C, AA, AAA, 9-volt, 12-volt, etc.)

● **BUTTON TYPE**
(watch, hearing aid batteries, etc.)

PLEASE ...

- **DO NOT** place batteries in COMPOST or WASTE or BLUE BAGS;
- **NEVER** burn batteries;
- **Consider REDUCING and REUSING** by choosing rechargeable batteries for household use when possible.

NOTE: Household batteries (all types) may also be taken to a Household Hazardous Waste (HHW) depot at your nearest Waste Watch Drop-Off Center at no charge. Please contact IWMC for more information.
