

EFFECTIVE IMMEDIATELY!!

TOTAL PLASTIC BAG BAN

ATTENTION CUSTOMERS:

Compostable material placed curbside as excess during regular collection and as Spring & Fall cleanup material ...

***MUST* be in open rigid containers or paper leaf and garden bags.**

This includes household compostables as well as yard and garden material (*grass clippings, leaves, plant trimmings, etc.*). Twigs may be placed into the bags, however, it is preferable to have them bundled securely for collection.

Compostables in plastic bags WILL NOT be collected at any time.

The plastic bag ban is being strictly enforced.
