

Please **COVER & SECURE
YOUR LOADS!!**

One major source of litter is from individuals who carelessly toss packages, containers, bottles, cigarette butts, etc. out of their car windows. The other major source of roadside litter is from **UNCOVERED LOADS.**

The PEI Highway Traffic Act (section 222) states:

"(1) No person shall drive or move or assist in moving a vehicle on the highway unless the vehicle is so constructed or loaded to prevent any of its load from dropping, shifting, leaking, or otherwise escaping from the vehicle..."

"(2) No person shall operate a vehicle with a load on the highway unless the load and any covering thereon are so securely fastened as to prevent the covering or the load from becoming loose or detached or in any manner a hazard to other users of the highway."

**PROVINCIAL LEGISLATION REQUIRES THAT
ALL LOADS ON ISLAND HIGHWAYS
*MUST BE SECURED!***

(Violators are subject to a fine.)

THIS IS A WARNING.
Any future uncovered loads
arriving at IWMC disposal facilities
may be denied access.
